* Up to 5 quarts. Additional quarts of Oil Required are extra.

SEVEN ESSENTIAL END-OF-SUMMER CAR CARE TIPS

You are probably just now wondering, where did summer go? To make sure your car, truck, or SUV stays safe and reliable throughout the year, we've prepared seven essential end-of-summer car care tips. It's a good idea that while the weather is still pleasant that you set aside some time to tend to your vehicle's maintenance needs.

CHECK ALL YOUR LIGHTS

You need lights to see and be seen, especially when rain and fog reduce visibility. Check that all lights are functional, including marker lights, turn signals, hazard lights, brake lights (including the center high mount brake light), reverse lights, taillights, headlights and fog lights. If you find any blown bulbs, consider replacing the matching bulb on the other side at the same time, as it may not be far from going out as well. Generally headlights should be replaced in pairs.

SWAP YOUR WIPERS

A good guideline is to replace wiper blades every six months, but they may wear sooner. Now is a good time to replace any wiper blades that streak, chatter or don't clear the windshield properly. Make sure to use the correct length of wiper blade and don't forget the rear wiper if your SUV or van is so equipped.

CHECK YOUR TIRES

Check that your summer or all-season tires have at least 4/32 inches of tread depth remaining. Look for abnormal tread wear, which may indicate an alignment or suspension problem. It might also be time for a tire rotation to ensure even tire wear. If you have a spare tire pull it out and make sure it is aired up.

CHECK THE BATTERY

First, look for corrosion on the battery terminals. This needs to be cleaned or repaired to eliminate resistance between the battery and the rest of the electrical system, such as the starter and blower. Then, have the battery load-tested – replace it if it's too weak for a cold start. Also check the battery age to see if it is nearing the end of its service life. A typical battery lasts 3-5 years so be prepared for a replacement if yours is older.

AIR CONDITIONING

It not only cools air during the summer, it also works as a dehumidifier. Functional or not, have its performance checked to ensure year-long operation. Even when the weather turns pleasantly cool make sure to run your air conditioning once a week to keep it in good shape. Running the air conditioner helps keep components lubricated while also keeping the seals fresh and less likely to leak.

CHECK FLUIDS AND INSPECT BELTS

Check and adjust all fluid levels, including engine oil, engine coolant, power-steering fluid and transmission fluid. Check and adjust V-belts and serpentine belts and replace if needed. Keep in mind that modern serpentine belts can still look fine due to advances in materials, which means they don't crack as much as the old belts. These modern belts actually wear down like a tire and lose their ability to grip pulleys effectively..

CHECK THE COOLING SYSTEM

The number one cause of summer breakdowns is the cooling system, so getting that serviced is a great recommendation for end of summer maintenance. The coolant should be flushed usually every two years or per manufacturer specs.

For more information on end-of-summer car care advice or any other general car maintenance tips, chat with your service advisor at Auto Select.

HUMOR

Did you hear about the two rowboats that got into an argument?

It was quite the oar-deal.

What award do you give the "dentist of the year"?

A little plaque.

The other day, my wife asked me to pass her lipstick, but I accidentally passed her a glue stick.

She hasn't talked to me since.

What do you do if you're ever attacked by a gang of clowns?

Go for the juggler.

My wife told me she'll slam my head into the keyboard if I don't get off the computer.

I'm not too worried, I think she's just jokindkdkslalkdlkfjlsfjlskldkfuahwhgwgdklaljd

Lobster Rolls

INGREDIENTS:

- 1 lb. cooked lobster meat from 6 to 8 medium lobster tails or from 3 (1 1/2 to 2 lb) live lobsters
- 3 Tbsp. mayonnaise
- 1/4 tsp. kosher salt
- 1/4 tsp. ground black pepper, plus more for sprinkling
- 1/4 c. finely chopped celery
- 1 tsp. lemon zest

DIRECTIONS:

Remove the shells from the lobster and pick through the lobster meat. Use paper towels to thoroughly pat the meat dry. Chop the meat into very large, recognizable chunks, 1/2- to 1-inch pieces.

Place the lobster meat in a large bowl and fold in the mayonnaise, salt, and black pepper. Fold in the celery, lemon zest, chives, paprika, and cayenne pepper, if you like. Cover and refrigerate until ready to use.

Brush both cut sides of the split-top buns with the melted butter. Heat a large skillet over medium-low heat. Working in batches if necessary, place the buns cut-side down in the hot skillet. Toast until golden brown on one side, about 1 minute. Flip and toast the other side until golden brown, 30 seconds to 1 minute more.

Divide the filling among the buns. If you like, drizzle with melted butter and sprinkle with chives, black pepper, and paprika before serving.

2 Tbsp. lemon juice

2 Tbsp. finely chopped chives, plus more for sprinkling

1/4 tsp. paprika, plus more for sprinkling

1/8 tsp. ground cayenne pepper (optional)

6 split-top hot dog buns

2 Tbsp. salted butter, melted, plus more for optional drizzling

Client Satisfaction Rating 4.8 out of 5 Stars

Here's what our clients are saying...

All the workers were nice and helpful and don't try to upsell you on all the things you could do to your vehicle. Down to earth and genuinely helpful! *Jacob R., Appleton East*

This is my favorite place to get my oil changed. Their customer service is always so good; they're friendly and informative without being pushy. I always feel awkward bringing our vehicles in for oil changes but when I bring them here, I am always met with friendliness; it's a really nice place with really nice service members. They're really fast too! I'd say between 10 - 15 minutes.. speedy quick!
Elizabeth M., Appleton Express

Called and they got me in the next day. Had all kinds of warning lights on in my truck. They did the work and it was ready the next day. Truck's running great now and the price was more than reasonable. Highly recommend. *UP G., Appleton North*

I was so lucky to have found them when my car broke down. They were beyond belief in their informative, and comprehensive approach in letting me know what was wrong, what needed to be done, and what my other options were. Very up front and honest about everything they did and could do. They went far beyond standard job descriptions to make sure my car was not just fixed today, but could continue to last. I've never trusted a mechanic before, but now I'll never go anywhere else again. *Natasha F., Neenah*

There is no place else I would take my cars to. My family and I have been with Auto Select for many years and I would recommend and have recommended them to everyone. Thanks again guys. *Kathy H., Green Bay East*

Josh and staff do the best with our cars!! Chad and Tony are the best at the service desk!! They explain what needs to be done. They really care about their customers! Even their service driver Russ does a great job and can carry on a conversation with anybody!! Would give them Ten Stars if I could!! *Robert N., Green Bay West*

They gave me the same personalized service that I had with AFS. They took great care of my car. I would recommend them to everyone. *Bobbie C., Hortonville*

Great service! They were able to get my car in right away and resolve the issues quickly and efficiently. They also provided me information on a rebate that I was not expecting. Kind and respectful service! *Susan L., Stevens Point South*

Stevens Point Auto Select provides stellar service from start to finish. Great customer support and quality work, it's always a pleasure working with their team. I would recommend them to anyone in the Stevens Point area looking for a reliable auto repair shop.
Brooke F., Stevens Point Express

Always top notch service from Doug, Matt, Craig and the crew. Would not go anywhere else. Fair pricing and they are always upfront and honest with all our car care needs. *Michael J., Stevens Point East*

Best car maintenance experience ever. Price and completeness of service was so appreciated. Talked over services...took car in at scheduled time and done and home in less than 2 hours. Will keep coming back for all my car work! *Jeanne M., Shawano*

Excellent service! This was a last minute issue, Auto Select got us in and fixed the problem the same day, while communicating with me through the process. Highly recommend 10/10 *Lisa P., Weston*
